SW-TDS-AF | Product and packing data for importer review

Authentic supplied product photograph. Sample appearance only.

Textured standing plate

Medium-to-firm textured standing contact

32 x 34 x 4.5 cm
Overall product dimensions

646 g / 0.646 kg
Declared bare-plate net weight

1 Product specifications

Surface / construction	638 nodes across 55 sculpted mounts (supplier count).
Material	Polymer. Exact resin grade, composition and chemical declarations to confirm.
Power / connectivity	No electricity, batteries or app required.
Intended physical use	Standing, barefoot, on a dry stable surface; use sturdy support for balance.
Cleaning / storage	Wipe with a damp cloth and mild soap, or rinse with tap water. Avoid harsh solvents and soaking. Air-dry. Dry indoor storage; avoid prolonged direct UV/sunlight.
Safe working load	Tested maximum user load not supplied. Approved instructions and risk assessment required.

2 Retail unit and packaging

Unit contents	1 plate is the proposed retail unit. Final insert/accessory bill of materials to confirm.
Packaging presentation	Green / cream branded packaging concept; final dieline and market wording not released.
Retail packed size / gross weight	To confirm from a fully packed final SoleWell sample. Product size/weight above excludes packaging.
Model / GTIN / batch traceability	Final commercial SKU, assigned GTIN/barcode and batch format to confirm. Sheet code is not a product SKU.
Origin / UK positioning	Supplier declares manufacture in India. Final SKU origin documents must reconcile differing draft pack labels. UK design/distribution does not mean UK manufacture.
Warranty	Intended 5-year SoleWell policy; written backing, market coverage and claims terms still to be finalised.

Data status: product figures are supplier-declared, not independently measured. Match the approved production sample before release.

Acu Flex | Export packing

SW-TDS-AF | Product and packing data for importer review

3 Master carton - supplier-declared baseline

Units per master carton	20 plates
Outer carton dimensions (L x W x H)	35 x 68 x 50 cm - confirm external measurements for final retail pack.
Carton gross weight	13.000 kg (supplier-declared; reweigh packed sample)
Plate-only net per carton	12.920 kg = 20 x 646 g (calculated; excludes all packing)
Carton volume	0.119 m³ = 0.35 x 0.68 x 0.50 m (calculated)
Carton construction / markings	Board grade, protective inserts, carton GTIN, shipping marks, batch labels and maximum stacking to confirm.

4 Pallet and container loading

Pallet configuration	Pallet type/size, cartons per layer, layers, units per pallet, loaded height and gross weight: to confirm.
20 ft GP / 40 ft GP / 40 ft HC	Approved cartons and units per container: NOT VERIFIED. State floor-loaded or palletised configuration in the final loading plan.
Supplier container statement	750 cartons / 15,000 plates; container type not stated. This is an unvalidated supplier figure, not a SoleWell shipment commitment.

Loading check required. 750 cartons x 0.119 m³ = 89.25 m³. Hapag-Lloyd example capacities are 33.2 m³ (20 ft GP), 67.7 m³ (40 ft GP) and 76.3 m³ (40 ft HC). The stated load exceeds these volumes before loading losses or pallets. Obtain revised packing data and a verified stowage plan. Weight check: 13.000 kg gross minus 12.920 kg plates leaves only 0.080 kg for all packaging; reweigh.

5 Supply and import requirements

Supplier production capacity	25,000-30,000 units/month (26 Aug 2026 statement; available allocation to reconfirm).
Order / mix / lead time	Supplier baseline: 15,000-unit export order; mixed models permitted; 14,000-21,000 units quoted at 20-25 production days. SoleWell trial MOQ and timing require an agreed quotation.
Loading ports / delivery basis	Supplier lists Pipavav, Mundra and Nhava Sheva (JNPT), India. FOB/CIF/EXW options are supplier proposals; named place, rule/version and obligations must be agreed.
Import identification / documents	HS classification, legal manufacturer/exporter and destination operator details pending. Agree commercial invoice, packing list, origin evidence, transport documents and applicable product reports.
Samples - courier collection	Samples available for collection using the recipient's own courier account. Sample price, collection location, ready date and packed weight/size confirmed when arranged.
Branding / destination trade price	Final artwork, language variants, custom-pack terms, payment terms and destination price: by written quotation.
